Executive Committee Report

The Executive Committee of the Truett Baptist Association met once during the 1989-1990 Associational year. The meeting was held at Marble Springs Baptist Church on November 20, 1989.

Rev. Buddy Pittman, Moderator, called the meeting to order.

Rev. Chester Jones led in the opening prayer.

The minutes of the last meeting were read by Clerk, Sharon Kephart. A motion was made and seconded that the minutes be approved as read. Vote taken; motion carried.

Rev. Fred Lunsford, Director of Missions, reported on the progress of the goals that were set during the Long-Range Strategy Planning Process. He reported that there will be a meeting of the Associational Development Council within the next few days and they will come up with some plans to be presented at the Semi-Annual Meeting in March 1990.

Rev. Fred Lunsford, Director of Missions, reported that fund raising has begun in regards to the Truett Camp Building Project.

Rev. Fred Lunsford, Director of Missions, read a letter from Joe Paul Turner, the Director of Missions in Sumter, South Carolina. The letter was on behalf of the people from South Carolina and they were expressing their thanks to everyone for their help during the hurricane crisis.

Rev. Fred Lunsford, Director of Missions, read a letter from David Langford, the Executive Director and Treasurer of the North Carolina Baptist Men. He stated that North Carolina has requested and received a geographical area in South Carolina which is in the Santee Association. This is in regards to helping South Carolinians recover from Hurricane Hugo. The major town the Truett Association is being asked to help is Manning, South Carolina. Each association in North Carolina will be assigned a particular church field. Each association will need to see what needs to done in that area. Each association is asked to share their plans with the North Carolina Baptist Men's Office in Cary, North Carolina. A motion was made and seconded that the Truett Association participate in the above mentioned plan. Vote taken; motion carried.

A motion was made and seconded that a reception and pounding for Rev. and Mrs. Chester Jones be held at the Truett Baptist Association Center in January 1990. Vote taken: motion carried.

A motion was made and seconded that we dedicate the 1989 minute book of the Association to be in honor of Rev. Fred Lunsford for his service as Director of Missions for the past 25 years.

The meeting adjourned with prayer.

Instead of having another Executive Committee meeting in the Spring as usual, we held the Semi-Annual Meeting and transacted business during it.

Respectfully submitted, Sharon Kephart, Clerk

Youth on Mission for Christ

During the past year, the Youth on Mission for Christ of the Truett Baptist Association have been involved in several events as follows:

OCTOBER 7, 1989 -- We had Youth World Missions Fair at Marble Springs Baptist Church. There were several participants in the Fair. Youth groups from different churches came to Marble Springs and shared their knowledge of different countries through setting up a booth. The youth had corresponded with missionaries through letter writing, etc. for some time. It was a very successful event.

DECEMBER 11, 1989 -- The youth sponsored the Pastor-Wife Christmas Banquet. It was held at the Truett Baptist Association Center. We had some games and Rev.

Bernie Dixon did a chalk talk. We had a large crowd and enjoyed it.

JANUARY 7, 1990 -- We had our first "990 Youth Witnessing Club" meeting at the Truett Baptist Association Center. We had real good response with 39 people attending.

JANUARY 20, 1990 -- We held our first "Here's Hope Youth Evangelism Rally." It was held at Liberty Baptist Church. Mount Carmel Youth Choir provided the special music and Rev. Fred Lunsford delivered the message. Youth from Liberty Baptist Church presented several skits.

FEBRUARY 4, 1990 -- We had our Annual Youth Night Planning Meeting at the

Truett Baptist Association Center.

MARCH 17, 1990 -- Annual Youth Night was successfully held at Little Brasstown Baptist Church with around 410 in attendance. We began with a hot dog supper prepared by the women of Little Brasstown Baptist Church. The worship service consisted of a contemporary Christian music concert by Mrs. Vickie Edwards. Youth from Marble Springs Baptist Church and Shady Grove Baptist Church (Murphy) presented skits. The handbell choir of Little Brasstown Baptist Church presented some handbell music. All in all, I feel that Annual Youth Night was one of the best ever.

APRIL 21, 1990 -- We held a "Here's Hope Evangelism Rally" at Peachtree Memorial Baptist Church. There wasn't a large crowd present but the service was real good anyway. The youth choir from Meadow Grove Baptist Church presented the special

music and Rev. Bernie Dixon presented a chalk talk.

Throughout the year we had several youth prayer and planning meetings and the Youth Council and Zone Directors met several times to make plans for youth events.

Please be much in prayer for the work of the Youth on Mission for Christ and get involved more than ever!

Thanks!

Respectfully submitted, Sharon Kephart, Youth Director

Sunday School

We had the Associational Sunday School Training on April 9th and 10th. The Bible Teaching Series was used. We wish to thank Pastor Aud Brown and those of Little Brasstown Baptist Church for allowing us to use their fine facilities. I wish to thank all the dedicated workers of the ASSISTeam (Associational Sunday School Improvement Support Team), for their fine efforts and hard work.

Next year we hope to have a one-day session at Truett Camp. The tentative date is April 6, with the noon meal being served. More information will be made available at a later date.

Respectfully submitted, Chuck Conner, Sunday School Director

North Carolina Baptist Foundation

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70-year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the convention has only in recent years begun to have an impact on providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation have increased by over \$13 million through May 1990. This exceeds the asset growth goals set in 1986 for a five-year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	\$ 1,106,930
Trust income distributed to individuals with Baptist	
causes named as charitable remainderman during 1988 and 1989	\$ 1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	\$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	\$18,133,634

Gifts of appreciated assets, such as stock and real estate can be placed in trust to generate income for individuals and then pay income to Christian cases beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, bypass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of the staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs seven full-time employees and operates under the direction of a 20-member Board of Directors elected by the Baptist State Convention.

Respectfully submitted, Edwin S. Coates, Executive Director

Truett Baptist Camp

As your Camp Director, I find it a privilege to serve you and God in this work. We had two weeks of girls' camp this year with 11 girls accepting Jesus as their Saviour and numerous rededications were made. A good time was had by all. Lisa Dean was director and Donna Lakey was her assistant.

We had a very good music week again this year with J. Gilbert as director. Six people were saved and other decisions were made.

We will have two weeks of boys' camp again this year and we are looking forward to this. Aud Brown will be over this camp.

We will be starting our new building this fall. It will be a challenge to us all to support this project. All of our associations have information on the building.

We are grateful for the churches in Region 10 for your prayers and support for the camp. We hope you will support it through your church budget or by any means that you can.

We are trying to minister to the people in our region and beyond in a spiritual sense as well as physical.

Worship and Bible study has always been a major part of the camp program.

Please send us your children and make plans for an outing, if not a weekend retreat at your camp.

Respectfully submitted, Richard Roberson, Camp Director

Baptist Hospital

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this \$190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of Medical Center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Carnio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. The patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the

world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Respectfully submitted. Jim Hendrix, Baptist Hospital Representative

Biblical Recorder

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, the Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage, and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never has there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

The Biblical Recorder 232 West Millbrook Road Raleigh, NC 27609 (919) 847-2127

Baptist Children's Homes

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first statewide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeannie Eller Chuckwagon at Cameron, saving approximately \$75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than \$1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget.

Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiv-

ing Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children

in group care and for eights girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Respectfully submitted, Michael C. Blackwell, President

Single's Ministry

In 1988 the Single's Ministry was organized. The primary purpose of this ministry is to provide for activities, both informative and entertaining, for this group.

The meetings are held in the Truett Center on an irregular basis. However, a mailing list of known singles has been established and an announcement of all meetings is sent out prior to the meetings. An announcement is sent also to all pastors and Sunday School Directors in order for them to announce the meeting to each church.

According to statistics, this is the fastest growing segment of our population. The majority of this group is unchurched and many times left feeling as if they do not fit into a church family.

The Single's Ministry encourages each church to survey its membership and community to the special needs of these people.

Respectfully submitted, Margaret Hughes Single's Ministry Director

Baptist Retirement Homes

1990: PROVIDING THE BEST OF TIMES TO N.C. OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state -- in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facility, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care -- independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit - to 350 Older Adults

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding communities and their churches. The Brotherhood, WMU, and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs -- whatever they see is needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

Respectfully submitted, Rev. Tom Wells, Retirement Homes Representative

Mentally Retarded Ministry

The 1989 Happiness Retreat at Truett Camp was an exciting event. Neal Peyton, Director of Special Ministries at the North Carolina Baptist State Convention was there along with group leaders from Charlotte and Winston-Salem. Special guests were from Clearwater, Florida. Don MacAllistar and his group from the show, Joy Junction, came. Everyone enjoyed having them.

Attendance for last year's Christmas Program and Vacation Bible School was extremely low so we did not have the Bible School this summer and the Christmas Program

is still undecided.

Nancy Cody has resigned this year after a 10-year service to this ministry. Although she has resigned she will be helping to get things ready for the Happiness Retreat and other events for the special people. I am hoping to get a good start and do a good job for the mentally retarded ministry. But, I know that I will never be able to fill Nancy Cody's shoes. Nancy, here is a thank you for all of your contributions.

Respectfully submitted, Revonda Simonds, Special People Coordinator

Woman's Missionary Union

The watchword of WMU for 1989-90 was "And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40) With this verse in mind we had as our emphasis "In His Name - Reach-Teach-Touch."

1989-90 was the year of the Acteens. Churches with WMU organizations were urged to have activities related to the youth, and recognize the Acteens in their church.

Every WMU person has been challenged to witness for the Lord, study missions, and pray for the missionaries. During the simultaneous revivals, WMU members were urged to attend and help in any way possible to bring people to the Lord.

A "Thank You" to all WMU members who helped with the retirement party for Rev. and Mrs. Fred Lunsford at Murphy First Baptist Church. A "Thank You" to those WMU's who made a contribution toward the Christmas gifts for the women prisoners in Raleigh.

According to the record received from the state office we had the following organizations in our association:

Missions Friends 18 organizations
135 members
Girls in Action 24 organizations
196 members
Acteens
150 members
Baptist Young Women 8 organizations
62 members
Baptist Women
313 members

The Annual WMU meeting was held at Truett Memorial Baptist Church in Hayesville. Miss Sheila Black was guest missionary. She is a home missionary with headquarters in Charlotte. Everyone who attended the meeting enjoyed Miss Black's presentation.

We hope with the help of Rev. Fred Lunsford, who is WMU, Brotherhood, Discipleship Training, and Sunday School Coordinator for the North Carolina Baptist State Convention, to organize more WMU's in the association in 1990-91. Pastors, these organizations can be a big help to you in the activities and witnessing in your churches.

Discipleship Training

The name is now Discipleship Training. It was once BYPU. Then it was named Training Union. Then it was changed to Church Training. Now it is Discipleship Training. The same program that had its origin in the heart of God, and was put into practice in the first church in history is still just as important now as it was then. To explain in simple language, it means a way of helping God's people learn and put into practice the Christian life. We call it Discipleship Training. It is too diverse to explain in a report, but too important for any church to be without it. To be without it would be like a newborn baby without legs, arms, or the helps to grow. Last year's Discipleship Training reorts told us that 32 out of 54 churches reporting had not provided opportunities to its members for Discipleship Training. A church that offers no programs is saying no to its members. At least they should be given the opportunity to say yes or no.

Jesus said yes in Matthew 28:19-20 when He said that churches should teach, bap-

Jesus said yes in Matthew 28:19-20 when He said that churches should teach, baptize and teach to observe all things. What He has commanded is a matter related to Disipleship Training. People grow when, by choice, they are given the opportunity and

are provided the resources to do so.

Truett Baptist Association has the resource in trained associational leadership to help any church who needs the help to get started or to improve their program of Discipleship Training. All you need to do is call the associational office and request help. We will come. Don't speak a no to your church. Speak a yes to Discipleship Training for your people this coming year, and Jesus will be glad.

Below you will find a list of associational activities we experienced this past associa-

tional year.

1. In November of 1989 we met at Marble Springs Baptist Church for "M" Night. Rev. Fred Lunsford spoke to the adults about "Here's Hope." Rev. J. Gilbert presented a program for youth. We also had associational officers that helped provide a program to the other age-level groups. It was a good "M" Night.

2. In November of 1989 your Discipleship Training Director attended two days at Ridgecrest for leadership training in the association.

3. May 14-15, 1990, your Discipleship Training Director attended two days at

Ridgecrest for training in associational work.

If any of the associational Discipleship Training Team can assist you in beginning

a work in your church or help you improve your work, please call upon us.

North Carolina Baptist Colleges

THE TRIPOD

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the convention,

by historic Baptist principles.

- 1. The authority of the Scriptures and the Lordship of Christ. Because we regard the bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.
- 2. The competence of the individual and the priesthood of believers. Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.
- 3. **The autonomy of the local church and cooperation in Christian service.** Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.
- 4. Freedom of religion and a free church in a free state. Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

Respectfully submitted, T. Robert Mullinax, Executive Director Council on Christian Higher Education

American Bible Society

What do the churches of America see when they look at the American Bible Society? For those of us responsible for communicating the ABS story, we would like them to see us as an important partner of the churches to make a greater witness for Christapartner on the frontier of world mission and evangelism, and a partner at the local level of day-to-day community outreach and service.

This is the way we see you, the churches. You are our <u>partners</u>, indispensable coworkers with us in the Bible cause! Our global program of Scripture translation, production and distribution is inherently dependent upon the prayerful support, the generous gifts, the wise counsel and advice given by denominations and their local congregations. This undergirding is the primary enabler for the Society to develop exciting, relevant and powerful Scripture resources for Christians in our country and for all those around the globe we seek to reach with God's Word.

The Society is privileged to enjoy broad support among Christians in America. Many are ABS Volunteers and Church Representatives, Bible-A-Month Club members and Good News for New Readers supporters. In fact, 90 percent of the denominations listed in the Yearbook of American and Canadian Churches, 1989 are represented among those who are active in the ABS ministry. People sharing the Bible with other people is a ministry to which all Christians are called and one ABS is eager to help churches in fulfilling.

Representatives from 37 denominations and six church agencies attended the Society's 60th National Advisory Council at Bible House in December last year which met under the banner "Partners in Spreading the Good News." Because we believe there is no better way of presenting the Bible cause, we have made this theme the central perspective of our report to you this year. We hope what you read here will underscore

just how grateful we are to your denomination for being our partner, will reinforce why your continuing and expanding partnership with us is so vital, and will strengthen your confidence and participation in the work of the American Bible Society which you are so generously supporting.

Director of Missions

The ministerial opportunities as Director of Missions have been varied and challenging. It is indeed a pleasure to serve the Lord in any capacity. But, to be involved in His Kingdom through the churches of Truett Association is a wonderful experience of which I am especially grateful.

The work of the Association has gone extremely well for these first six months of my tenure. Two major reasons for the smooth transition may be cited. First, Brother Fred Lunsford did everything possible to prepare me for the position. He worked at the office on a volunteer basis for around four months. He taught me many things and was very patient with me. Secondly, our office help is excellent. Karen Kephart has served us well for more than 12 years. She has superior knowledge and expertise concerning Association and state convention relationships. She is efficient in the office. I could not be more pleased with her service. In addition to Karen's work, Helen White serves well as a bookstore and office assistant. She stays busy in the shelves, or at the cash register, or at the offset press.

We have extremely good help. Let us all encourage and support those who serve us-good help is of tremendous value.

During my first six months on the job training, I have been privileged to be involved in ministering in some of the following ways:

Revivals - 5 (4 local, 1 away)

Funerals - 5

Association Administration Meetings - 18

Vacation Bible School Functions - 8

State Convention Functions - 6

Home Mission Week at Ridgecrest

Southern Baptist Convention at New Orleans

Southern Baptist Directors of Missions' Conference

NC State Convention Staff and DOM Conference

Director of Missions Summer Conference

Coordinated relief efforts in Manning, SC (Hugo)

Coordinated flood relief efforts on Hiawassee River and in Copperhill, TN

Engaged in several counseling sessions (church and individual)

Planned for Cultural Awareness Seminar (August 17)

Visited 35 different churches in Truett Association

Conducted 2 weddings

Conducted worship services for local National Guard

Participated in 2 Valentine Banquet ceremonies

Established ministers wives' fellowship

Participated in 2 association youth functions

Participated in Monday morning Pastors' Prayer Meetings

Participated in associational song fest

Participated in 2 local school functions

The schedule has been hectic at times, but very rewarding. I am made aware through the rapid pace of the occurrence of events that every minister and church is effective only through and by the presence of the Holy Spirit. All of the travel, speaking, administration, and coordinating is futile unless the Lord annoints the effort. The truth of the Word of the Lord to Zerubbabel has absolute significance today, "not by might, nor by power, but by my spirit, saith the Lord of hosts."

May God enable us all to work together under the annointing of that Spirit in order that we might bring honor and glory unto the name of His Son and our Savior, Jesus

Christ.

Respectfully submitted, Rev. Chester Jones, Director of Missions

Seminary Extension

Seminary Extension is an excellent way to better one's self educationally. This program enables clergy, teachers, and laymen to gain new insights and challenges in Bible study, church functions, and relationships with fellow believers.

Seminary Extension has been a vital part of the associational ministry in Clay and Cherokee Counties for nearly 30 years. May it please God for the program to continue in its effectiveness as His Church continues to equip Herself for mission and ministry.

Last year *Baptist Heritage* and *Baptist Polity* were two of the courses offered. Both courses were greatly appreciated by those who endeavored to learn our Baptist roots and our traditional functional practices.

This year four seminary extension courses will be offered through the associational office. Make your plans now to become involved in this continuing education opportunity. The courses offered will be:

BB0100 How to Understand the Bible - Jones

MS0222 Survey of Baptist Missions - Lunsford

NT0172 Luke - Lunsford

GM0500 Formation for Ministry - Jones

Please call the associational office for more information concerning these studies.

Respectfully submitted, Rev. Chester Jones

Evangelism

Dear Christian brothers, sisters, and fellow servants of Jesus Christ in Truett Baptist Association. I am appalled at the rapid trend of today's society to accept and promote a sinful and wicked lifestyle. Indeed we live in a day when Christians are a minority among the people of the world. A great tragedy is that many people who are supposed to be Christian are seemingly accepting the standards and lifestyle of the non-Christian world. Surely the Word of God to the prophet Amos must be spoken to those who call themselves the Children of God today. "Behold I will set a plumbline in the midst of my people Israel, I will not again pass by them anymore." (Amos 7:8) God has designed a lifestyle for his people. God's lifestyle for his people is distinctively different from that of the world. If Christians are to evangelize the non-Christian world, we must show them God's lifestyle by the way in which we live. God has already drawn the line for Christian living. It is time that we, God's people, draw the plumbline of God for ourselves.

Jesus said: "ye are the light of the world" (Matthew 5:14). He intended for Christians to so live that non-Christians might see their joy, love and dedication of Christians and accept Jesus as their Lord. Jesus said, "ye are the salt of the earth" (Matthew 5:13). He intended for Christians to so live that the non-Christian community would be influenced by the standards and lifestyle of Christians.

If we are to win the lost to Christ in these last days, then they must see the commitment of Christians to their Lord.

I urge you to show a difference in your loyalty, love, and faithfulness to Jesus Christ, His Church, and His people. Don't be ashamed to really be a Christian. We may talk about how wicked the world is, hold revivals, conduct church services, and train people to witness. But unless Christians demonstrate a distinct difference in their lives, we will not influence people to accept Christ as their Lord.

Respectfully submitted, Rev. Aud Brown, Evangelism Director

Resort Ministry

Being my first summer involved in campground and flea market ministries, it has been very exciting and a great blessing to me although I was a little worried and scared to begin with. Even though no spoken decisions were made, I feel that many seeds were planted.

The flea market ministry has definitely been a witness. I was only able to attend the flea market for about half the summer due to school, but each time I went it was a great blessing just to meet all the different people.

The campground ministry at Ho Hum Campground was richly blessed by the Lord. It was a special blessing to me because the campers were so kind and helpful to me.

This chart shows the total number of people who attended the campground services on Sunday.

I would really like to thank the Lord for the opportunity He has given me this summer. I would also like to thank my support team which consists of Fred Lunsford, Karen Kephart, Chester Jones, my parents and my home church for all their prayers and caring attitudes this summer. I also would like to thank SWARM (SonRise) for their help.

I truly pray that this ministry can keep growing to glorify the Lord. May God richly

bless each of you.

Proceedings

1. The twenty-first session of the Truett Baptist Association opened with a hymn led by Mrs. Jeri Ruth Roberts. The hymn was "He Keeps Me Singing," page 587 in Hymns for the Family of God.

2. Rev. Buddy Pittman, Moderator, welcomed everyone who was present. Scripture and Prayer was led by Rev. David Roberts, pastor of Andrews First Baptist Church.

He read scripture from Ephesians 4:1-6.

3. Rev. Buddy Pittman conducted the seating of messengers and recognition of pastors and visitors. He noted that the messengers would constitute the governing body of the Truett Baptist Association and would transact the business of the 1990 Association Meeting. The pastors present were: Rev. Warren Hall, Rev. Woodrow Busch, Rev. Johnny Foster, Rev. Calvin Murphy, Rev. David Roberts, Rev. David Allman, Rev. Bernie Dixon, Rev. Richard Roberson, Rev. Andrew Lewis, Rev. Tim Williams, Rev. Roy Phillips, Rev. Ned Golden, Rev. Marvin Hampton, Rev. Fred Lunsford. The new pastors in the Association were: Rev. Roy Phillips from Valley River Baptist Church and Rev. Johnny Foster from Truett Memorial Baptist Church.

4. A motion was made and seconded that all messengers present be accepted as the governing body of the Truett Baptist Association. Vote taken; motion carried.

5. The presentation of the *Book of Reports* was conducted by Rev. Chester Jones, Director of Missions. He expressed his gratitude to Ranger Baptist Church for their willingness to host the Annual Session and asked everyone present to pray for Rev. L.B. Adams and his wife, Geraldine, during her illness.

6. The contributors to the *Book of Reports* were recognized. They were: Rev. Aud Brown, Mr. Don Raxter, Rev. Bernie Dixon, Mr. Chuck Conner, Rev. Richard Rober-

son, Mrs. Margaret Bruce, and Miss Sharon Kephart.

7. Mrs. Margaret Bruce, WMU Director, encouraged all churches to participate in WMU. She stated that she is willing to go to any church who asks her and help them to organize WMU. Mrs. Bruce says that WMU is a great organization. She reported that one of the big projects that the WMU of Truett Baptist Association are involved in each year is in conjunction with the State WMU. We help to send Christmas gifts to the Women's Prison in North Carolina. She related a true story of one of the prisoners giving a donation of \$5,000 back to the WMU of North Carolina.

8. Rev. Richard Roberson, Director of Truett Camp, reported that the next year will probably be the most important year that Truett Camp has faced since its beginning. More money will be spent at the Camp in one lump sum. In a few days, there will be a ground breaking to start a new building at the Camp. It will have 20 rooms

and a conference room. Each room will have its own private bath. It is expected that the building alone will cost around \$100,000. Richard informed those present that the Camp now has around \$45,000 to be used toward the building thanks to the Truett Baptist Association and the North Carolina State Convention. The rest of the money will have to be borrowed from a bank. Richard reported that 22 souls were saved this summer at Truett Camp and he challenged us to look beyond human beings and look to Jesus Christ and follow Him. We have a mission. Richard stated that lives are changed at Truett Camp.

9. Rev. Aud Brown noted that in order to do evangelism in the Association, more money is needed and he asked the churches in the Association to consider giving more.

10. Mr. Don Raxter presented the budget as found on page 28 of the Book of Reports. He asked churches to increase their giving to Associational Missions. The budget for 1991 has been increased 3½ percent over the 1990 budget. The total of the 1991 budget is \$89,054. The Budget Committee increased the Missions Ministries \$1,200 this year. Don noted that we receive supplement from the North Carolina State Convention to go toward financing the Missions Ministries. The Finance Committee increased Resort Ministries \$500 and the Secretary's Salary was increased five percent or \$700. There was an increase in Administrative Support Ministries in the amount of \$432 due to an increase in personnel salary. The Church Development Ministries Budget was increased \$600. A motion was made and seconded to accept the proposed 1991 budget. Vote taken; motion carried. There was no opposition.

11. There was a motion and a second that all the other reports found in the *Book of Reports* be accepted as written. Vote taken; motion carried. There was no opposition.

12. Rev. Fred B. Lunsford presented a Church Growth Multiplier Report. He used scripture taken from Philippians 1:3, 7. Fred stated that he is now a Church Growth Multiplier for the State of North Carolina. He has been assigned to five Associations. He represents the Baptist Convention of North Carolina in this work. As a Church Growth Multiplier, Fred is available to help churches and Associations in church growth programs. He will help in missions organizations, Sunday School work, and Discipleship Training. There are 17 Church Growth Multipliers in North Carolina and they meet periodically and discuss what their purpose is and what they have done. Their purpose is to start and strengthen existing work in the above areas. They also are available to help in the areas of evangelism and witness training. This work doesn't cost the local church anything but the State Convention does ask the church to give a love offering if they are able to do so, then the State Convention picks up the remainder of the cost.

13. MISCELLANEOUS BUSINESS SESSION: Miss Sharon Kephart, Clerk, presented a recommendation from the Associational Council. The Council recommended to the messengers of the Annual Session that the 1991 Annual Meeting begin at 5:00 p.m. The Council recommended that we have a supper at 6:00 p.m. and a worship service at 7:00 p.m. A motion was made and seconded to accept the recommendation of the Associational Council as presented above. There was some discussion. A motion was made and seconded that the Time and Place Committee meet during the lunch hour and come back in the afternoon session with a recommendation concerning the 1991 Annual Session. Vote taken; motion carried. Rev. Chester Jones, Director of Missions, stated that he would like to broaden the responsibility of leadership throughout the Association by enlarging the number of members on the Nominating Committee. He would like to see it enlarged to 10 instead of five. Rev. Marvin Hampton made a motion to enlarge the Nominating Committee to 10 members. The motion was seconded. There was some discussion. It was noted that in order to do this, we

would have to have a Constitution and Bylaws change. While this was being looked into, we had a song, "Victory in Jesus," page 82 in *Hymns for the Family of God*, led by Mrs. Jeri Ruth Roberts. Rev. Richard Roberson made a motion that the Miscellaneous Business Session of the meeting be adjourned until right after lunch, at which time this subject would be brought up again. Rev. In verse 14, Paul says I am in debt to share the Good News, both to the Greeks and Barbarians, to the wise and the unwise. He had what everyone needs...the Gospel of Jesus Christ. Luther stated that the church must be no less than what Christ intended for it to be. We're called to meet all kinds of needs. In verse 15, Paul says I am ready to pay the debt; to preach to those at Rome also. There is nothing passive in his statement. Paul was eager and on fire to preach the Gospel. In verse 16, Paul says for I am not ashamed of the Gospel of Christ unto salvation. He said he was proud of the Good News of Jesus Christ. God bankrupted the resources of heaven to save us. He gave His only Son for our salvation as individuals.

We each must bear a cross. We're all different. Churches are all different yet we're all united in Christ. We all have a special place of service. Christians get victory only when there has been a battle. The Israelites marched forth and so must we. We cannot turn back. Moses' staff was there for him to lean on for 40 years. It was a steady influence on his life. It was his protection. It became more than just a staff. It became an actual part of Moses' life. God told him to throw it down. When he did, it became a snake. Moses could see himself squirming on the ground. God reveals to us how small we are. Moses than picked the snake up by the tail because that's how God told him to pick it up. Sometimes God tells us to do extraordinary things. It was never again called Moses' staff. From that time, it was God's. When we give ourselves totally to God, we become His instruments. We need to support each other as we're in the battle of God daily.
 - 13. The blessing for the Hot Dog Supper was given.

North Carolina Baptist Hospital

The year 1991 is significant in the history of Baptist Hospital — it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provides over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

1991: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State — the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptist regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately \$2.8 million. At the present time, the Baptist Retirement Homes has raised approximately \$2 million of the \$2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive . . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

Discipleship Training

Discipleship Training in North Carolina saw an increase this past year, from October 1989 to October 1990. The enrollment of the previous year was 133,199 and this past year 155,426. You see that the State increased by 22,227 people.

In our association in the 1989 report we had a total enrollment reported of 1,236 and in 1990 a total enrollment of 1,053, which shows a loss of 183. This loss says several things. First, it says we are not running the race as much as we did in discipling people. Or, we don't have as much time to devote to the Lord's work on Sunday night. Or possibly it is the truth of scripture that teaches that as we approach the time that

people will love the world with more interest in lip service than with service in Kingdom work.

I am convinced as your Discipleship Training director that we must fight for every opportunity to grow in grace lest we grow in losing ground. I am convicted of the need for Discipleship Training in every church. I pray that we as leaders love what the church stands for and will not settle for less than a ministry that is concerned about the whole picture of Christianity. We must make a difference or else the world will make a difference in us. Let's put Discipleship Training back on sure ground by every church being determined to disciple its people and not deter its people.

The associational Discipleship Training Department did a few things during the last

year to train and provide and be available to you.

1. We had "M" Night at Little Brasstown Baptist Church on November 19, 1990, with Rev. Randy Gardner, the pastor of First Baptist, Franklin, North Carolina as the main speaker. Also, Praising Hands, Clara Reid and Dorothy Smith provided special music. We had about 50 in attendance.

2. Your Director attended two days of training at Key Leadership at Ridgecrest

on May 13 and 14 of this year.

3. We provided the Bible Skills Rally for training of leaders for the Bible Drills and Speakers Tournament at Marble Springs on October 20, 1991.

4. We had the Associational Bible Drills at Andrews First Baptist Church on April 28 with several churches and a good number of participants. Several of the participants in the Associational Drill went on to Hendersonville, North Carolina to participate in the State Drills on May 17 and 18.

Our Associational Team is available to help your church with update information or to help you improve or to begin a new work. We cannot come without your invitation. Please contact your Associational Director or Associational Office if we can help.

Youth On Mission For Christ

Some of the events of the past year for the Youth on Mission for Christ of the Truett Baptist Association are these:

December 3, 1990 — A Christmas Get-Together was held at Little Brasstown Baptist Church for youth and leaders, or parents who wanted to attend. Special recognition was given to Sharon Kephart for all the service she had given in the past years. We sang Christmas Carols, had a Christmas movie and the Christmas Story was told by Chester Jones, Director of Missions. Refreshments were provided by parents and Zone Directors. Everyone seemed to enjoy the fellowship.

January 19, 1991 — A Seminar, "Parents Against Teen Suicide" was held at Ranger Baptist Church. Trooper Fred Davis, Founder and President of the organization, spoke to us of his experiences and some of the signs to look for when someone is suspected of being suicidal. Handouts were given to all present with a hot line number, what to do and who to call. Mr. Davis' presentation and testimony were enjoyed by everyone.

It was a wonderful service

March 17, 1991 — A youth prayer and planning meeting was held to finalize plans for Annual Youth Night.

April 13, 1991 — Annual Youth Night, with hot dog supper before the service, was held at Murphy First Baptist Church. The beautiful singing was done by the 1990 Truett Music Week Youth Choir under the direction of John Tagliarini. Testimonies were shared and Kyle Ledbetter from Marion, North Carolina brought an inspiring message. The service was filled with God's presence and I feel all were blessed from the service.

There were other planning and prayer meetings with the Youth Council and Zone Directors. The meetings were special times when through prayer and seeking the leadership of the Lord, we discussed plans for events. We sincerely appreciate all the prayer

and support from everyone.

Please continue to pray for the Youth on Mission for Christ and for more involvement from churches and youth in the Truett Association.

We praise the Lord for all the things He has done throughout this year and thank Him for what He is going to do in the coming year!

Sunday School

This is a year of change in Sunday School work in our association. Our literature will undergo some changes in appearance and style. Information will be presented at our Sunday School Leadership Conference, to be scheduled in September this year.

If you are not having January Bible Study in your church, let the A.S.S.I.S.Team (Associational Sunday School Improvement Support Team) help you in getting a start in this important study. Call the association office and we will be glad to help.

Thank you for your support as we, the Sunday School team, try to do God's will for us in this association. There has been progress the past six years, and we hope to see this continue. We must make an effort to strengthen the evangelistic arm of the church — Sunday School. Bring your knowledge and experience to these conferences and share what the Lord has blessed you with.

Executive Committee Report

The Executive Committee of the Truett Baptist Association met once during the last association year. The meeting was held on November 19, 1990, at Little Brasstown Baptist Church.

At this meeting, Rev. Chester Jones, Director of Missions, gave an update report on the progress of the goals of our Long Range Strategy Planning. He noted that the Senior Adult Ministry had been activated. The Single Adult Ministry is still on the go. The Youth on Mission for Christ is active under the direction of Mr. and Mrs. David Gentry. The Brazil Partnership is still in effect. He noted that four or five people from Truett Baptist Association would be going to Brazil in March 1991. Chester also reported that the Resort Ministry was a success this past summer with Miss Dana Anderson leading in it. The Hunger Ministry is being worked on. Fund raising for the Truett Camp Build-

ing Project is in progress.

Rev. Chester Jones, Director of Missions, noted that Pine Log Baptist Church is requesting a loan from the North Carolina Baptist Convention to help them pay off their new fellowship hall. A motion was made and seconded that Truett Association approve this loan whenever it becomes necessary to act upon it. Vote was taken; motion carried.

Rev. Buddy Pittman, Moderator, asked the Executive Committee to approve allowing Rev. Chester Jones, Director of Missions, to present the retired Pastors and deceased Pastors widows with a plaque at the Pastor/Wives Christmas Banquet in December 1990. A motion was made and seconded to approve the request. Vote was taken; motion carried.

There was some discussion about fund raising for the trip to Sao Paulo, Brazil in March.

The meeting adjourned with prayer led by Rev. Tim Williams.

North Carolina Baptist Foundation, Inc.

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately \$27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990

\$647,180

Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:

\$686,124

The staff of the Foundation consists of seven full-time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals had made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

Baptist College Report - 1991

A "new-old" event is about to take place in North Carolina Baptist life: A Special Committee!

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years!

New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our

fervent prayers.

Truett Baptist Camp

We had two weeks of girls' camp this year with nine girls being saved and several rededications being made. A good time was experienced by those attending. Laura Moore was director and Becky Brown was her assistant.

We had the largest number in attendance of Music Week this year since its beginning. J. Gilbert was the director. Several decisions were made for the Lord this week. Many parents and friends attended the concert held Friday on campus.

We are expecting a very good boys camp this year as several registrations have already come in. Aud Brown will be the director and he always does a very good job

keeping the boys busy and happy.

The new conference center is finished and is ready to be used by any group that wishes to use it at reasonable rates. Your helping repay the debt of \$46,000.00 plus interest would be deeply appreciated.

We are in the process of doing a facelift on the grounds of the camp also.

We are truly grateful for the churches in Region 10 for your prayers and support of the camp. We still encourage you to put the camp in your church budget or help in any way you can.

We are trying to minister to all ages in our region and beyond in a spiritual sense

as well as physical.

Bible study and a worshipful atmosphere is still first and a major part of the camp

program.

Continue to send your children and plan an outing, retreat, or conference at the camp in the near future.

Respectfully submitted, Rev. Richard Roberson, Camp Director

Senior Adult Ministry

It is with great excitement and enthusiasm that I write you this report on the newly organized Senior Adult Ministry of the Truett Baptist Association.

We held our first Senior Adult Ministry Meeting on Sunday afternoon, October 18, 1990, at the Truett Baptist Association Center. At this meeting, the Senior Adults chose a name for their group, "The Golden Harvesters." We also conducted a brief survey to find out the types of activities the Senior Adults of our area were interested in. We had some wonderful fellowship and delicious refreshments.

I began seeking people who would serve on the Senior Adult Council. We divided the Association into ten zones. The members of the Senior Adult Council are: Shelby Jean Woody, Mr. and Mrs. Richard Powers, Mr. and Mrs. Marvin Hampton, Dixie Palmer, Beulah Griffin, Mr. and Mrs. Ralph Toth, Lois Jones, Kate Jones, Virginia Cox, Corena West, Mr. and Mrs. Beecher Morrow, Martha Chastain, Mr. and Mrs. Ralph Myers, and Becky Penland. I also began enlisting people to become official members of the Golden Harvesters. We now have 19 council members and there are around 100 official members of the Golden Harvesters.

On March 16, 1991, we held a Senior Adult Breakfast with around 100 Senior Adults attending. Many Senior Adults helped with the cooking and preparing the food. After

the breakfast was served, we enjoyed listening to Mrs. Merinda Woody speak to us about the importance of having a will. Mrs. Woody was also able to answer the many questions the Senior Adults had. It was a very successful event.

On May 19, 1991, we began our Senior Adult Choir. At our first practice, we had around 16 people participating. We sang for about an hour. It was like an old-timey sing-a-long. It was a lot of fun for all of us. The choir sang at Senior Adult Night held on June 28, and they are scheduled to sing at the Annual Meeting of the Truett Baptist Association. It is directed by Mr. Richard Powers and Rev. Marvin Hampton plays the piano for us.

The Senior Adult Council has met several times to plan the events of the future. We have many exciting things planned for Senior Adults. I feel very honored to have the opportunity to serve in this capacity. Please pray for the ministry of the "Golden Harvesters." Pray that we will truly be "Golden Harvesters" for our Lord. This is our main objective.

We have an all day retreat planned for September of this year and on November 23 we will be privileged to hear Mrs. Barbara Joiner speak to us. She is a well known speaker all over the United States. Many of you have heard her speak at Ridgecrest. Join us for all the fun and excitement.

Respectfully submitted, Sharon Kephart, Senior Adult Director

The Biblical Recorder

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at the point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are constantly adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Woman's Missionary Union

The emphasis for W.M.U. in 1990-91 is "Empowered." The watchword "To him who by means of his power working in us is able to do so much more than we can ever ask for, or even think of: To God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen!

As today's missioning women, we must recognize these underlying truths:

1. Our reason for being is to share Christ.

2. The Holy Spirit is the primary and ultimate power to lead and enable us in personal involvement in missions.

3. Churches and people have diverse needs, wants and styles.

We want to realize, with the hymn of the year, Set My Soul Afire, that when this happens we can have powerful W.M.U.'s.

Due to the illness of my sister I missed the Annual W.M.U. Meeting. My thanks go out to Carrie Davis and Eva Wood for "carrying the ball" at this meeting . . . also at the Council Meeting with Nancy Curtis, State Director of W.M.U. The visiting missionary's talk was very interesting. Nancy Curtis, State Director, also made those present proud they belong to W.M.U. This meeting was held at Andrews First Baptist Church.

At the Fruitland workshop we had a good attendance and much information was brought back to our association. The knowledge was shared by our directors to those

attending. This meeting was held at Murphy First.

We are very happy to have Sharon Kephart, a new worker with the state department to help with the organizing of different organizations that make up the W.M.U. I have great faith that with her help the Truett Association's director will make great strides.

Director of Missions Report

The year 1991 has been an educational and spiritual "Boot Camp" for me. Leaving the pastorate, learning the new job, meeting so many people and being in around 50 churches, each of which is different, has called for some extensive personal adjustments. This ministry has been blessed, however, because of God's faithful presence and the wonderful attitude of the laymen, pastors, and office personnel.

To be a part of God's big family, sustained by His hand, and led by His Spirit is more than blessed. I have experienced these spiritual realities during these days of learning.

For His divine presence and your encouraging support, I am eternally grateful. With-

in your fellowship I long to grow in His likeness.

I have been privileged to minister in and through Truett Association in some of the following ways this past year.

American Bible Society

Dear Friends.

One of my greatest joys as Director of the Church Relations/Volunteer Activities Department of the American Bible Society is taking inventory of our shared Scripture ministry over the last calendar year. Moreover, it is especially gratifying to share the results with you, our faithful friends and partners in the Bible cause.

We want you to fully realize in your heart of hearts that YOU WERE THERE all during 1990, as we sought, through the partnership established between you and us (between your denomination and the ABS) to carry out Jesus' last command on earth:

The Great Commission.

The total number of languages into which at least one book of the Bible has now been translated is 1,946. During the course of 1990, there were 18 different languages into which at least one book of the Bible was translated for the very first time. And YOU WERE THERE when it happened. Complete Bibles are now available, also for the first time, in four additional languages — all Bible Society publications. And YOU and your denomination were there, my dear Christian friends.

All of the statistical data, facts, figures, as astounding as they are, somehow do not touch the heart as much as real accounts of people sharing God's Word with people. What we all want to read about is how the Scriptures are changing lives. Let me share with you one of those special moments as it was related to the Bible Society by a former prisoner from Singapore.

His biological father had died when he was only four, and later he was badly mistreated by his stepfather. After beginning work as a common laborer at 13, he soon began to smoke, gamble and indulge in all sorts of corruption. Years later, he was involved in a clash between rival gangs and ended up in jail.

While he was contemplating suicide, two of his enemies in jail became Christians and began reading Bibles. Their behavior toward him changed radically. He was amazed at their transformation and wanted to know more about this Jesus of theirs. Borrowing a Bible, he began to read. He became more conscious of his sins as he devoured God's Word.

One night as he was meeting and singing with other Christians, he pictured Jesus shedding His blood to save his life. Lifting up his hands, he prayed to accept Jesus there and then. Peace and joy flooded through him.

Later released from prison, he now leads a redeemed life as a general contractor, husband and father. He says, "I love the Bible and whenever I have the opportunity to tell others how much it means to me, I am always happy to do so."

When that life was transformed by the strength, the authority, the power, and the love of the Word of God, YOU WERE THERE. You were in that small village in South Africa when the Scriptures were distributed among the village families. You were inside that church in Romania when joyful hands reached out for Bibles. You were on the road in Haiti passing out Scriptures to the fishermen. You were in Saudi Arabia when American men and women serving their country in the armed services received the camouflage-covered Bibles which gave them comfort and hope.

Thank you for being there. Thank you for your partnership in response to God's call for obedient discipleship and worldwide evangelization: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo. I am with you alway, even unto the end of the world." (Matthew 28:19-20KJV)

Baptist Children's Homes of North Carolina

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future! Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "give a child a chance!" financial campaign; and 3. Baptists' continued

support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill: Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A & T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paving their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse,

divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a save environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled \$9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie

Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who

now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than \$2 million in potential gifts. Our goal this year is \$500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the \$500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the

custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts a year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Respectfully submitted, Mrs. John (Toots) Dickey, Children's Home Representative

Truett Baptist Association Christian Bookstore

Thanks to our many customers, the Truett Bookstore continues to be a success. With new customers coming in every day, the bookstore is proving to be a service to many people.

Throughout the past year we have added many new items to the store and can order almost any item that you might have need of. Some of the items we have in stock are . . . Bibles, Christian books for adults, children, teens, and preschoolers; gift items, music, and much more. Right now our main concern is lack of space to display the merchandise properly. But, we're doing the best we can with what we have.

The bookstore continues to pay a monthly dividend from sales to the Truett Baptist Association and the bookstore also pays the salary, health insurance, and retirement benefits for Mrs. Mary Helen White, our part-time employee. Helen is assuming a lot of the responsibility of the bookstore and is doing a fantastic job. Thanks, Helen, for all your help.

We appreciate our regular customers and welcome all new customers. If there's any way we can be of assistance to you, please let us know.

Respectfully submitted, Karen Kephart, Bookstore Manager

Seminary Extension

Seminary Extension has been a vital part of Truett Baptist Association ever since the Association was formed in 1920. The work started in the Western North Carolina and West Liberty Associations in 1951. Hundreds of people have taken these courses over the years. Several have graduated and some are close to finishing now.

This past year two students received certificates directly from the Seminaries. Rev. Warren Hall went to Southern Seminary in Louisville, Kentucky to graduate and Rev. Buddy Pittman went to Southwestern Seminary in Fort Worth, Texas for the graduation exercise.

Last fall Fred Lunsford taught Survey of Baptist Missions and the Gospel of Luke at Mount Liberty Church with 10 people enrolled. Chester Jones taught How to Understand the Bible and Formation of Ministry at Truett Baptist Center with 13 enrolled. Following is the schedule of courses to be taught this fall.

Fred Lunsford will teach "Old Testament Survey" at Mount Liberty Church start-

ing Tuesday night, September 3.

Chester Jones will teach "Teaching the Bible to Adults" and Linda Jones will teach "The Minister's Wife" at the Truett Baptist Center starting on Monday night, September 9.

Both Old Testament Survey and Teaching the Bible to Adults are excellent courses for Sunday School teachers and ministers. The course "The Minister's Wife" is a must for the preacher's wife. She will find a lot of help in this brand new course.

A new video tape on Seminar Extension is now available. Many people in the Truett Baptist Association are featured on this tape.

Please pray for the work of Seminary Extension in Truett Association.

Respectfully submitted, Rev. Fred Lunsford Seminary Extension Director

Single Adult Ministry

The Single Adult Ministry held its spring meeting at the Truett Center. A guest speaker presented a program dealing wih developing a better self-concept. A time of refreshments and fellowship followed the meeting.

A summer meeting is scheduled for August 17 at the Truett Camp. A cookout and an evening of activities are planned.

In the United States today, well over 40 percent of the adult population is single. Few Southern Baptist churches can claim this percentage of singles among their adult members. Single adults — never married, divorced, widowed — represent an area of great potential for reaching and drawing into the fellowship of the church. As church leaders of the Truett Baptist Association, let us continue to be aware and sensitive to the needs of this group of people.

Respectfully submitted, Margaret Hughes, Single Adult Ministry Director

Vacation Bible School

To "Celebrate Jesus" is certainly an appropriate response to Him, and Vacation Bible School, 1991, has been an especially appropriate time and place to do so!

To date we have received 19 VBS reports. From those 19 reports we have gathered

the following statistics:

Number of Preschoolers Enrolled - 226

Number of Children Enrolled - 414

Number of Youth Enrolled -243

Number of Adults Enrolled — 317

Number of Pupils not in any Sunday School — 89

Number of Parents not in any Sunday School — 106

VBS Offering through the Cooperative Program - \$1,508.00

VBS Offering not through the Cooperative Program -\$454.00

The Associational VBS Team was excellent this year with several new team members. And, of course, the team members who have been working in VBS for several years continue to do a super job. Continue to pray for Bible School work and if your church needs assistance in having a Bible School, please let the Associational Office know.

Respectfully submitted, Dan Anderson, Associational VBS Director

Resort Ministry

My experience as the Truett Baptist Association Summer Missionary has been an excellent experience.

I had dreamed of being a "real live" missionary for a couple of years until Mr. Chester

Jones made my dream come true.

Working at the flea market has been a real blessing. It has caused me to stop and realize the most valuable thing in life really is free, and it is Jesus. That was proven to me so many times throughout the summer as the Lord would supply my needs and strengths to be able to witness and to plant the seeds as he saw fit. A day at the market never went by without His love being harvested. One may never know how many hearts were filled, but I know for certain that mine overflowed.

The campground was also a wonderful experience. It helped me to grow in many different ways. The Lord's presence was also very obvious because everytime I would get nervous, like when I had to sing, Isaiah 40:29 and I became pretty well acquainted. "He giveth power to the faint and to them that have no might he increaseth strength." Then I would relax and remember Revelations 3:12 . . . "Him that overcometh will I make a pillar in the temple of my God."

I really can't put into words how true Isaiah 65:24 is . . . "And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear," because He already had me a piano player as well as some very willing and dedicated

volunteers to help me both at the campground and the flea market. I owe many people many thanks, especially brother Chester Jones, and sister Karen Kephart for always being so happy and giving of their time, and to my sisters Leslie Riann Crowe and Heather Berrong for entertaining me and helping me survive the heat by keeping me cool with ice at the flea market. Special thanks to sister Gracie Midlton for all her smiles and help with the piano, and also to the people that gave of their time to the Lord at Ho-Hum.

"Grace be with all them that love our Lord Jesus Christ in sincerity. Amen." Ephesians 6:10-24.

Respectfully submitted, Becky Brown, Summer Missionary

Annuity Board

Protection is an instinct each adult has toward his spouse and children. It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death. The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits. These benefits can mean receiving:

- up to \$67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.
- up to \$300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to \$35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives \$287.43 per month, up from \$234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

- small contributions make the annuitant's benefits small:

In North Carolina

185 receive less than \$50

482 receive less than \$100

1041 receive less than \$200

1338 receive less than \$300

There is a *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers. For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 1-800-262-0511. In North Carolina, you can call or write Jim Lambert, Administrative Associate for Minister Support, P.O. Box 1107, Cary, NC 27512-1107, 1-800-395-5102.

Christian Action League of North Carolina, Inc.

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working

the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed

that body.

While we were successful in side-tracking lottery legislation, the Legislature refused

to enact the following proposals:

1. PARENTAL CONSENT—North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2. DRUNK DRIVING—The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-

Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES—It is ironic that an open liquor bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle.

4. TEEN-AGE PREGNANCIES—In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However, such a program was opposed by our NC Department of Public Instruction.

5. ABORTION FUND—North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some \$400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies right here in North Carolina their constitutional right of life, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptists and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough to wring our hands and just talk about the problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine

referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed. Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C.; Austin McGuigan, former State's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi.

We praise God for your prayer and financial support as we join in addressing the

moral and ethical issues facing our society.

Respectfully submitted, Joe S. Lennon, President Coy C. Privett, Executive Director

Special People Ministry

The 1991 Happiness retreat at Truett Baptist Camp was an exciting evening. Fourteen (14) special campers attended along with several young chaperones from this area that were a big help.

Mr. Neal Peyton, Director of Special Ministries at the North Carolina Baptist State Convention, was there along with three of the group leaders, one of whom provided

wonderful craft activities for the campers.

Mr. Bill Voorhes provided entertainment for the vespers on Friday evening. Mr. Voorhes is a ventriloquist and everyone enjoyed his show.

We had an excellent Saturday theme — "The Fifties" — and all the special campers

really had a good time on Saturday.

We want to say a special "thank you" to those individuals and churches who helped to sponsor a special camper so they could attend the Happiness Retreat. Please continue to pray for the Special People Ministry.

FIRST DAY SESSION MARBLE SPRINGS BAPTIST CHURCH AUGUST 5. 1991

- 1. The twenty-second session of the Truett Baptist Association opened with a hymn led by Rev. Chester Jones. The hymn was "Down at the Cross," page 80 in *Christian Praise*.
- 2. Rev. Bernie Dixon, pastor of host church, Marble Springs Baptist, presented the welcome, scripture and prayer. He welcomed everyone present and read Ephesians 3:1-21. He noted that these scripture passages include three main emphases: a relevant ministry, a realistic mission, and a resounding majesty. He led in a time of prayer.
- 3. Rev. Buddy Pittman, Moderator, called the meeting to order. The messengers were seated. A motion was made and seconded that all messengers present and those to come later be the governing body of the Truett Baptist Association during the twenty-second session. Vote was taken and motion carried. He read the "Rules of Order," Article II in the minute book
- 4. ASSOCIATIONAL MISSIONS REPORTS: **Senior Adult Ministry—Miss Sharon Kephart.** She informed those present that Senior Adults have great potential. They have skills and gifts which can and should continue to be developed and utilized. Older people have special needs and problems which should be met. These needs are basically the same as for other persons in the life cycle, but in older persons

may be more intense. Some of these needs are: to be loved and to love, to be useful and feel needed, to be accepted as persons with the right of self determination, to be appreciated and recognized, to live in the present and look to the future, to continue to grow spiritually, to continue to grow intellectually, to be assured of good health care. to feel secure, to have some recreation, to be assured of continuing support in periods of crisis, and to be an integral part of a loving, caring, and redemptive community. Sharon shared some statistics as follows: life expectancies at birth and at age 65 will continue to increase. For the next 25 years we'll see sustained but undramatic growth of the elderly population. The age 75 + segment of the population is now 5 percent of the total population and will move to 10 percent in the year 2030 and 12 percent in 2050. The 85+ population is the fastest growing age group in our society today. One-half of senior adults today have great-grandchildren. More senior adults will have living parents. There will continue to be more senior adult women than men. Divorce among senior adults is on the rise. Today 72 percent of senior adults own their own homes, but 40 percent live in homes built before 1939. More women than men are care-givers. The trend is for more women to work outside the home. Older persons will experience an increase in leisure time. The educational level of older persons is increasing. Not all senior adults are Christians, and they need to be challenged with the message of Jesus Christ. "That's what the Golden Harvesters of the Truett Baptist Association are all about," Sharon says. Youth Ministry-Mrs. Kathy Gentry. Kathy presented the report as found on page four of the Book of Reports. She expressed her appreciation for the opportunity of getting to work with the youth during the past few months. A cookout is planned in August at Truett Camp for singles. In the U.S. today, well over 40 percent of the adult population is single. September 8 is set aside for Single Adult Sunday in the churches. Margaret emphasized the fact that singles can be whole people and should not feel less than whole. Resort Ministry - Miss Becky Brown. Becky presented her report as found on page 24 of the Book of Reports. She asked for more participation in the

area of resort work. She noted the dedication of the campers who had attended the services she conducted at Ho-Hum Campground this summer. He noted that there have been Baptist Children's Homes for 106 years. There has been a maternity home in North Carolina for 21 years now. Thousands of people are ministered to in the children's homes and many are ministered to in the maternity homes. Mr. Folk informed those present that a campaign called, "Give a Child a Chance" is now in effect. The seasonal offerings

are back this year. The offering taken at Thanksgiving will benefit the children's homes. In the maternity home where he works, Mr. Folk shared that they minister to nine girls at a time. Fred shared that he and Sharon Kephart have been assigned ten associations in Western North Carolina as Church Growth Multipliers. They are available to help churches in the areas of Sunday School, WMU, and Discipleship Training. The goal of Church Growth Multipliers is to bring these ministries closer to the local church. He shared some of the experiences he's had in this capacity.

15. Rev. Chester Jones gave a report about Foreign and Home Missions. Chester shared that God has blessed Southern Baptists with more than 8,000 missionaries serving. There's more to Christianity than what we so do for ourselves. When we look beyond ourself to others, God blesses. In the United States 4,000 missionaries are serving while some countries don't have an evangelistic church. We become what we were intended to be when we light up the world. Our responsibility is to tell the world about Jesus Christ. We can join hands through the Cooperative Program and be a part of a great missions program. We can become involved through partnerships. Chester expressed that he would like to see a group of youth from the Truett Baptist Association go to New York and do some mission work there.

16. Mr. Willard Hembree shared some of his personal experiences and blessings as he believes in the North Carolina Baptist Foundation. It is a very good investment that will live on and on.

He may take fourteen (14) days annual vacation until he has been employed by the Association for ten (10) years. After ten (10) years of employment, he may take twenty-one (21) days annual vacation, but time to be determined at his own discretion, but in proper relationship to the work in general. Section II—Other Employed Personnel—#1—Association Administrative Assistant: F. The Administrative Assistant shall have fourteen (14) days annual vacation per year until he/she has been employed by the Association for ten (10) years. 22. Rev. Chester Jones delivered the annual sermon. He noted that our task is awesome. The church is the only entity in the world that has the power of the Holy Spirit. The Lord will enable us to do the task in His power and by His Spirit. Our world is motivated and dominated by fear. We are afraid of living and dying. We are afraid of aging. We are concerned constantly with what others think of us. The task before us calls for our best efforts. The question that matters the most is whether or not we please God. We need to have compassion for others and help those we see in need. We need to witness to the lost, comfort the dying. We need to make sure we give our lives for the cause of Christ. What matters is what we give away. What God thinks of us is what matters. We should not be afraid to be fanatic, to be different, or radical for the cause of Christ. We should not be afraid of what we're not because we can be equipped to do God's will. We need to live out our lives for Jesus Christ. Chester used scripture from Isiah 53. He stated that we need to take courage and not be afraid. We need to tell the gospel without fear. The message of the church is the most important message we have. The message of Jesus Christ dying for us and returning is the most important. Jesus must be the sum and substance of the ministry of the Truett Baptist Association. His message is the only message we have to tell. We should tell it with pride and understanding. Our spiritual heritage is rich. When we are weak, then His strength is magnified. God will stand beside us as we serve Him. Chester noted that we need a revival of evangelism. We need to let the world know that it means something to be a Christian. The church is a place of real importance. We need a revival that calls us to commitment. We need to deny ourselves, take up our cross, and follow Him in obedience. We must give our best to the Master. We need to pray for this chedience.

You can experience Discipleship Training at anytime of the week, not just on Sunday night. Individuals can use Equipping Centers alone. "Church is the Sunday Night place to be," says Bernie. Discipleship Training in North Carolina saw an increase this past year, from October 1989 to October 1990. Richard thanked those who had helped on this project. He encouraged the churches to put the camp in their budget. There were 18 professions of faith this summer, Richard reported. He used scripture from Rev. 2 He noted that no matter how hard we try, we still fail as Christians. The time is close at hand. The fields are ripe to harvest. There is no time for quarrelling. We need to be busy telling people about Jesus Christ. Steve stated that John 3:16 can warm a little boy's heart and fill up a little boy's belly, and feed him. Even those who work the hardest have faults. We need to get in the row and start hoeing. Steve asked the question, "What is the Spirit saying to the churches?" We must stick together and please the Lord in one accord with all of our heart and mind. We need to love our neighbor as ourselves. We must serve God with all of our heart, soul, and mind.

18. Rev. Jim Lambert delivered the message for the evening. His message was based on Titus 3:1-8. Jim stated that we should ever be growing in a Christian cooperative kind of growth. God has laid hold of us as Christians. One thing we need to remember is how we came to be His. God is Light, Love, Grace, and Power, Rev. Lambert notes. The love of the Redeemer has made us different, therefore something has happened in our hearts. We are different than what we used to be by God's mercy and grace. God has given every Christian a gift to contribute to His body. Some people fail to use their gifts to the glory of God. God found us. Rev. Lambert shares that Christians are people to whom something has been promised.

North Carolina Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for \$11.2 million, topping the \$7.5 million goal, and the challenge goal of \$11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than \$2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised \$510,000, a sum more than \$100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent \$1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

The Biblical Recorder

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Bap-

tist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more infor-

mation on how your church can subscribe or use CNS, contact:

Christian Life Commission of the Southern Baptist Convention

The Commission seeks to develop Christian morality among Southern Baptists by emphasizing the application of the principles of the Christian faith both in personal and public life. An ongoing effort is made to provide Christian ethics services to other Southern Baptist agencies, state Baptist conventions, associations, churches, and individuals to enable Southern Baptists to deal more effectively with the serious moral challenges of our time. The commission encourages the formation and activiation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church. By coordinating and correlating Southern Baptist social concerns, the Commission helps to make the greatest possible impact for Christ in support of the Convention's total objectives.

The presence of full-time Washington-based staff has enhanced greatly the Commission's ability to fulfill the portion of its program statement which calls on it to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public

health, and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share both with Congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff members have been active in corresponding and meeting with members of both the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. Also, with the approval of the Convention's Executive Committee, the Commission launched a new publication, Salt, in a newsletter format (six issues a year), which seeks to keep Southern Baptists informed on public policy and issues active in the administrative, judicial and legislative branches of the federal government. The goal of Salt is to inform and motivate Southern Baptists to influence their president, senators, and representatives in a responsible, scriptural manner.

The Commission has also been particularly active during the past year in leading a strong coalition of numerous groups supporting legislation restricting alcohol advertising and requiring mandatory health warnings on alcohol advertisements. Abortion, drug abuse and pronography are among the other issues on which the Commission staff has been involved through the Washington office in the past year.

The Commission remains particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and works closely with a coalition of groups trying to remedy these threats both through legislation and judicial action. The Commission also continued to pursue the fulfillment of its program statement this past year through the filing of *amicus curiae*, "friend of the court," brief in cases involving abortion, pornography and religious liberty.

In the religious liberty arena, the Commission also filed its first independent amicus curia (friend of the court) brief in the U.S. Supreme Court in the Lee v. Weisman school graduation prayer case. In this brief, the Commission asked the Court to overturn a lower court order prohibiting invocations and benedictions containing the word "God" at public school commencement exercises. The Commission has also asked the Court to revise the "Lemon" test and suggested a new test to replace Lemon, a test which is premised on the principles of government accommodation of religious practices which exist independently of government action and are not induced or coerced by government. The Commission believes students must have the right to free exercise of their religious liberty while in school, to associate voluntarily with one another during lunch, recess and free periods to pray, study the Bible and to discuss religious issues with each other without government control or censorship.

The Commission's 1992 annual national seminar in Washington, D.C. was entitled "Citizen Christians: Their Rights and Responsibilities." The program combined interpretive biblical themes with addresses on subjects such as "How Christians Can Make A Difference Inside Government" and "What You as a Christian Can and Cannot Do." The seminar also included a White House briefing and a congressional breakfast where seminar participants had an opportunity to interact with various

senators and congressmen about issues of concern to them.

The Commission continued its long-standing leadership in the field of race relations by sponsoring a consultation which brought Southern Baptists of many racial and ethnic backgrounds together. The consultation was very helpful in addressing the goals the Commission seeks and the obstacles the Commission faces in encouraging our denomination and our society to be more Christ-like on this issue in the years ahead. The Commission also provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration Weeks and National Student Weeks at Ridgecrest and Glorieta. Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities.

The Commission continued its responsibilities assigned by the Southern Baptist Convention for education and action related to the issue of hunger. Commission staff produced the 1991-1992 World Hunger Awareness/Action Guide entitled Hunger. This guide was mailed to every church in the Convention to encourage and to support the observance of World Hunger Day. The commission-produced film, What Shall We Do in a Hungry World?, which had previously been mailed in videotape form to Southern Baptist associations, continued to be used significantly

in heightening Southern Baptists' awareness on this vital issue.

Baptist Retirement Homes of North Carolina, Inc.

1992: MAKING LIFE FOR Older Adults THE BEST OF TIMES

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our state, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist older adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our state in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than \$2.5 million toward the construction of the new Rickman Nursing Care Center in Ashville . . . a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly . . . the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

Woman's Missionary Union

The Truett Association Annual W.M.U. Meeting was held this year at Ebenezer Baptist Church on May 5, 1992. The attendance at this meeting was good, and several W.M.U. were represented. The speakers were Marcia McQueen from The North Carolina Baptist State Convention Woman's Missionary Union giving an update on W.M.U. work, and Helen Allen, home missionary. Mrs. Allen worked in Ohio. She told about Baptist work in this state, and the great need of volunteers to work in Ohio.

The emphasis for the year 1991-92 is "Called and Accountable." The watchwork is "But when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all Judea and Samaria, and to the ends of the earth." Acts 1:8.

This year we have not had as much growth in our organizations as we would like to have. But often numbers do not count---it is the faithful work of those who are members. This year the Girls in Action have had several project, and a wonderful sleep-over at Little Brasstown Baptist Church. A prayer retreat was held at the Truett Baptist Association Conference Center. This retreat was directed by the Prayer Support Director of W.M.U., Mrs. Geraldine Murphy. Mrs. Ruby Fulbright, a former foreign missionary, was the prayer retreat leader. To those members attending, this was most inspirational and meaningful.

The officers attended the Leaders Workshop held at Franklin. Then, at Murphy First in September, the directors shared with those attending the ideas and information they had learned. This workshop was well attended.

The Christmas Offering for money to be used by the N.C. Baptist State W.M.U. for Christmas gifts for the women prisoners in Raleigh was three hundred dollars.

The director attended the Key Leadership Conference at Ridgecrest in May.

Ten from the Truett Baptist Association attended the State W.M.U. Annual Meeting at Ridegcrest.

I have served as director of W.M.U. since 1972. A beautiful plaque was presented to me, for which I am very proud. It hangs in my living room. My, have I enjoyed my work! You have been most helpful in all projects attempted, and cheerfully put up with my mistakes. Mrs. Eva Wood is the new director for 1992-93. I ask of you to give her your prayerful support and cooperation in all endeavors.

Good-Bye Yours in Christ, Margaret Bruce

Resort Ministry

Working as the Truett Baptist Association summer missionary is a great way to minister and witness to a number of different people in a variety of ways.

Ways such as through the flea market ministry and through the campground ministry are only two examples of the ways that I serve the community through and for the Lord.

I plan to have a booth at the Georgia Mountain Fair where I will give away tracts, balloons, and a cool refreshing cup of water with the hopes of replenishing some thirsty soul for the Lord's word.

Besides using my clowning ministry at the fair and the flea market, I also used it at Truett Camp for girls weeks. I believe the girls really enjoyed it. I know I sure did! With the strength of the Lord and the willingness of the volunteers, the summer missions can reach many people that may otherwise not be reached.

Through Him, Becky A. Brown, Summer Missionary

Executive Committee

The Executive committeee of the Truett Baptist Association met 3 times during the last associational year.

The first meeting was held on July 7, 1991 at the Truett Baptist Association Center. At this meeting, Rev. Chester Jones, Director of Missions, asked the Executive Committee to authorize him to present a plaque to Rev. Fred Lunsford at the Annual Meeting recognizing him as Director of Missions, Emeritus. A motion was made and seconded to allow Chester to do this on behalf of the Executive Committee. Vote was taken and the motion carried.

A motion was made and seconded that the Executive Committee recommend to the Annual Meeting of the Truett Baptist Association that the Constitution be changed to allow 3 weeks vacation for the Director of Missions and the Administrative Assistant after 10 years of employment and that the Constitution and By-Laws Committee word these changes and present them to the Annual Meeting of the Association. Vote was taken and the motion carried.

A motion was made and seconded that the Constitution and Bylaws of the Truett Baptist Association be amended to read: This Constitution may be amended by a 2/3 majority vote of the messengers present and voting at the Annual Meeting's Second Session when such changes shall have been proposed and presented in writing to the Clerk of the Association at the First Session of the Annual Meeting. Vote was taken, motion carried.

The second meeting was held on November 25, 1991 at Andrews First Baptist Church. Rev. Chester Jones, Director of Missions, asked for the Executive Committee's approval of the development of a Pastoral Minister's Support Group in the Association. He also asked that the present Pastoral Minister's Support Group be accepted and new groups be formed in the future. A motion was made and seconded to approve the request as made by Rev. Jones. Vote was taken and the motion carried.

Rev. Tom Lolley, Area Missionary, spoke on the issue of homosexuality in the Pullen Memorial Church in Raleigh and the Binkley Memorial Church in Chapel Hill.

Rev. Doyce Waters made a motion that the Truett Baptist Association go on record affirming the recommendation of the officers of the North Carolina Baptist State Convention concerning the continued receipt of monies from churches endorsing or condoning the homosexual lifestyle. (The officers recommendation is that there will be no monies received from churches who endorse or condone the homosexual lifestyle). The motion was seconded by Rev. Eddis Dockery. Vote was taken and the motion carried unanimously.

Christian Love Ministry was discussed and it was decided that each individual church would have to decide whether or not they want to support the ministry of Christian Love.

Respectfully submitted, Sharon Kephart, Clerk

North Carolina Baptist Hospital

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was \$407,280,000. Cooperative Program gifts from the churches were \$656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled \$424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in other other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plan continue to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Sticht Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Respectfully submitted, Dr. William Yates

George W. Truett Baptist Camp

As your Camp Director, I again count it an honor and privilege to serve the Lord and you in this work.

We had two weeks of GA Camp this year with 135 girls attending and 12 were saved at camp with several rededications being made. We encourage you to register early for 1993 camp and bring a friend with you. Laura Moore was director with Becky Brown assisting her.

We are glad to report another great music week with attendance exceeding last years. There were 93 atteinding with two accepting Jesus as their Saviour, four for Christian Service and 35 rededications. A good time was experienced by all. J. Gilbert was Director for Music Week.

We have received several registrations for the upcoming RA Weeks and Aud Brown, the Director for those two weeks, with his assistants will see that the boys enjoy another two good weeks of camp with spiritual training and good fellowship.

The new conference center is being used and also our new pavillion. Our room rates in the conference center are still affordable, so encourage your church friends to visit with us at Camp Truett and Conference Center.

We are deeply grateful for all the churches in Region 10 for your prayers and support. We hope you will put the camp in your church budget or will support the camp in any capacity that you can.

Worship and Bible study is still a very important part of our camp program. Please encourage your children and your neighbor's children to come to camp. Also, have your church to use the camp and conference center. Come see the changes in the grounds and camp facilities.

Respectfully submitted, Rev. Richard Roberson Camp Director

American Bible Society

In 1991 the American Bible Society celebrated 175 years of outreach to people around the world, sharing the Word of God in the languages and formats they could most easily understand. And this anniversary year also turned out to be one of momentous opportunity, challenge and achievement. The war in the Persian Gulf at the beginning of the year offered an unprecedented opportunity to reach men and women in the Armed Forces while they were serving the cause of peace in the Middle East. More than 300,000 Bibles with special camouflage covers and over 100,000 New Testaments were shared with those involved in Desert Storm.

The American Bible Society throughout 1991 was the largest non-profit publisher of Scriptures in the United States and pressed forward in its efforts to make God's Word easily available to everyone in the country. The ABS continued with its outreach to individuals, churches, correctional institutions, schools, hospitals and nursing homes, community organizations and other Christian ministry agencies. In addition, special Portion and Selection formats were created for those with special needs, such as troubled youth, alcoholics and drug abusers, the homeless

and those suffering from Aids, etc. The ABS also continued to increase its channels of distribution in 1991 in order to reach people in every area of life. Direct marketing campaigns, radio and television announcements, media tours by its new president, and a corps of volunteers numbering over 7,000 all contributed toward promoting the work and mission of the American Bible Society and increasing the influence of the Scriptures in all segments of American society.

The year 1991 constituted an important year for Archives & Library Services. Several major long-term projects were completed, special demands placed upon the department owing to the 175th anniversary celebration were attended to, and new initiatives were instituted which will significantly improve services to all ABS departments. While not neglecting outside scholars and visitors who use the collections, the staff spent considerable time and effort this year in attempting to better define and fulfill its role within the Society.

Complete books of the Bible have been published by varous agencies and copies received and registered by the United Bible Societies in 1,978 different languages and dialects. Of these, thirty-two were first recorded during 1991. Complete Bibles are now reported for the first time in four additional languages and the New Testament in thirty-six, including six which are the first recorded Scripture publications. In thirty-six languages which do not yet have either an Old or New Testament and fifteen which have the New Testament but not the Old, additional portions were registered during 1991. In forty-five other languages in which translations and publication had previously taken place, new or revised versions of Portions, Testaments, or Bibles have now appeared.

People in more than 200 countries and territories throughout the world received a total of 640,755,135 Bibles, New Testaments, Portions and Selections of Scriptures in 1991 in hundreds of languages and dialects from member Societies and National Offices of the United Bible Societies.

Director of Missions

The work of Truett Baptist Association during 1992 may be described as diversified, rewarding, frenzied, challenging, satisfying and disappointing. These descriptive phrases are similar to those which could be offered by any pastor as he reflects on the ministry of his church.

The churches, pastors, and individuals with whom the Director of Missions has been pleased to work with have been accepting and gracious. The sense of family within and among the various churches of Truett Baptist Association has been encouraging. Enhanced relationships among the pastors, laymen, and other ministers have been established and sustained by the Spirit of Christ Jesus. Many accomplishments this past year brings to my mind a sense of gratitude to God and praise to my fellow ministers. A broader vision, however, makes clear to our generation that still "The fields are white unto harvest." In every church many members are "unchurched." In every community many are unsaved. The field is large, the work difficult and the laborers few. God needs and wants the loyalty and commitment of everyone of His children. Let us pledge to serve Him more enthusiastically and cooperative in 1993.

The Director of Missions following list of activities reflects a portion of the work he has been pleased to do in and through the churches of Truett Baptist association, the North Carolina Baptist State Convention, and personal ministerial efforts.

- 1) Visited in forty-five churches
- 2) Preached in six local and one out-of-town revival
- 3) Conducted three January Bible Studies
- 4) Directed one Mission Vacation Bible School
- 5) Conducted eight funerals

Mentally Retarded Ministry

The 1992 Happiness Retreat at Truett Camp was a wonderful event. Neal Peyton, Director of Special Ministries at the North Carolina Baptist State Convention, was there along with group leaders from Charlotte and Winston-Salem. Special guests were from the SWARM Team from the summer missionary workers.

The SWARM Team presented a wonderful show and were a big help the whole weekend. The attendance this year was up. We had up to 20 campers come and enjoy the weekend.

We are looking forward to next year's retreat and possibly having a Christmas program.

Please continue to pray for this ministry.

Respectfully submitted, Revonda Simonds Special People Coordinator

Single's Ministry

The purpose of the Single's Ministry is to bring together those people who are single or single again for activities, fellowship and ministry.

At the spring meeting the first video out of a series of three entitled "Divorce Recovery" was shown and discussed. Plans are to show the remaining videos this fall and winter.

Plans are now under way to have a "Single's Event" during each quarter of the coming year as follows:

- Winter—A seminar dealing with "loneliness" and conducted by Dr. Ken McGowan.
- 2. Spring—A single parent seminar.
- 3. Summer—An outing at a place to be determined later.

4. Fall—A retreat conducted by Doug Cole which will have two separate segments. There will be a seminar dealing with marriage enrichment, and a separate seminar dealing with the concerns of the singles.

Respectfully submitted, Ms. Margaret Hughes Single's Ministry Director

Vacation Bible School

This has been another good year for Vacation Bible Schools in the churches in the Association. The overall attendance was down slightly from the previous year, but there was still good participation from forty-nine churches, and from all evidence it appears that good quality teaching was going on.

To date we have received Vacation Bible School Reports from twenty-two of the

churches. Statistics from these reports are as follows:

Enrollment — 1,494

Average Attendance - 1,236

Number of Preschoolers enrolled - 294

Number of Children enrolled - 465

Number of Youth enrolled - 325

Number of Adults enrolled - 410

Professions of Faith — 23

Total Prospects — 239

Total not in Sunday School - 160

Backyard Bible Clubs - 1

Total Gifts to Missions through the Cooperative Program -\$1,856.42 Total Gifts to Missions not through the Cooperative Program -\$926.00

If you have not sent this year's VBS Report in, please do so as soon as possible.

Respectfully submitted, Dan Anderson Associational VBS Director

Senior Adult Ministry

I am pleased to share some of the events the "Golden Harvesters" (Senior Adults) have been involved in during the past year.

On July 25, the Senior Adult Council enjoyed a delicious meal and glorious fellowship at the Sirloin Steakhouse. We planned future events.

Barbara Joiner was planning to come for our big Missions Rally on November 23, 1991, but had to cancel due to a death in her family. She is rescheduled to come August 29, 1992.

Senior Adult Day was observed in some of the churches in May of this year. The theme was "Heritage, Happiness, and Hope in the Senior Years."

We held our Annual Senior Adult Breakfast on June 13 at Truett Camp at 9:00 a.m. We had around 90 in attendance. The food was delicious and the fellowship was super. We had some good ole country pickin' and grinnin'. Everyone seemed to enjoy all of it.

Let's pray that the 1992-1993 associational year will be filled with more Senior Adult activities and that we'll meet the needs of Senior Adults.

May all be done to glorify God in the days ahead.

Respectfully submitted, Sharon Kephart Senior Adult Ministry Director

Discipleship Training

Again we have seen the evidence of Discipleship Training being alive and well because of the new interest and increase in attendance in the churches of Truett Association. In our association in 1989 we had a total of 18 churches reporting a total of 1,053 enrolled. In 1990 a total of 20 churches reported 1,236 enrolled. At Key Leadership in May of this year we received information that again tells us of increases in churches and enrollment. According to the information provided we see a total of 21 churches reporting an enrollment of 1,323. We rejoice in the increased growth. The most recent church to begin Discipleship Training is Mount Zion Church. We commend the pastor, church and Discipleship Training Director, Johnny Ashe, for their commitment to disciple their people. My hope and prayer is that other churches in the association will begin training of some type this year. This means there are still 42 churches either not reporting or without training programs. If the association team can help, please contact the director or associational office.

The Associational Training Department did a few things during the last year to train and provide opportunities for training.

1) "M" Night was held at First Baptist in Andrews with Rev. Jimmy Dean from Sylva. Also special music was provided by the Jamison Family. We had about 45 in attendance.

2) We provided a Bible Skills Rally for training of leaders for Bible Drills and Speakers Tournament at Marble Springs Baptist Church on October 19, 1991.

3) Your director attended two days of training at Ridgecrest on May 11 and 12 of this year.

4) We had the Associational Bible Drills at Little Brasstown Baptist Church with a good number of churches and a good number of participants. Several of the participants went on to Hendersonville, North Carolina to participate on May 1 and 2.

Respectfully submitted, Rev. Bernie Dixon Discipleship Training Director

Sunday School

The Truett Baptist Associational Sunday School Improvement Support Team was active this past year. Early in the year, the ASSIST Team attended a weekend training session at Ridgecrest where we learned of the various literature choices and their applications. We met for planning sessions and calendar sessions with

Director of Missions, Dr. Chester Jones, and at Marble Springs Baptist Church for an afternoon literature workshop, with participation of several area churches

and approximately 50 workers present.

We thank God for Sunday School workers and growth and encourage each church to promote Sunday School to the fullest extent. We feel that it is a most important aspect of church life, the backbone of church growth, and an excellent evangelistic outreach. Our prayer is that Sunday School growth will continue strong and that each church will strive to improve methods and material for reaching the world around us for Christ.

The ASSIST Team members are listed on page 19 of the Associational Book of Reports. If you need help, please call the appropriate person for your need, or call Truett Association Office at 837-5401. In addition to the ones listed on page 19, Nancy Brown, Linda Jones, Glenda Picklesimer and Teresa Lovin attended

training sessions and are knowlegeable of Sunday School work.

Respectfully submitted, Mr. Ernest Jones ASSIST Director

Youth on Mission for Christ

We are so BLESSED by all the things God has done and we PRAISE HIM for his goodness.

The YOUTH ON MISSION FOR CHRIST have sponsored several events in the past year. They are the following:

NOVEMBER: The youth held a flea market sale at Foster's Flea Market

with all proceeds from the sale going to World Hunger Fund of the North Carolina Baptist State Convention.

DECEMBER: Several of the youth attended and helped with the

Christmas Pastor/Wife Banquet held at Truett Baptist

Camp.

FEBRUARY: A Valentine Banquet was held at the Baptist Center in

Peachtree. Lots of food, fun, Christian music and games were provided for the youth. Our topic of discussion was LOVE and all the scripture references to the ways God

loves us and expects us to love others.

APRIL: Annual Youth Night was held at Hanging Dog Baptist

Church. We had a pizza supper for the youth and families and following at 7:00 p.m. the worship service began. The Dickson Fellowship Baptist Church Youth Choir did the special music and Gary Gibson, Pastor of Dickson Fellowship Baptist Church, brought the message after the singing. The service was truly a blessing for the young and

old.

Respectfully submitted, Kathy Gentry Youth Director

Brotherhood

The greatest effect of the Brotherhood Commission felt by the churches has been the regular activities of Baptist Men and Royal Ambassadors. Through churches and associational Brotherhood, men and boys have been involved in missions by actually doing mission activities, learning about missions, praying and giving to missions.

Our associational Brotherhood work in Truett has helped with projects at Truett Baptist Camp and the roofing of our associational office. Our Brotherhood carpenter crew is in the process of being formed to reach further out in missions in the days to come.

We thank God for each individual contribution to the work of our Lord. Our prayers are that we all would seek God's guidance as we look to a great year.

Respectfully submitted, Rev. Johnny Foster Brotherhood Director

Evangelism

Evangelism must be premier in Baptist life. The scriptural mandate "Ye must be born again" (John 3:7b) must be imprinted upon our minds and must saturate our church programming. Evangelism, however, cannot be the total work of the church. Newborns require years of nurturing in order to grow into maturity. Good parents would never bring a new baby home and forget it. Good parents give individual attention both day and night to their little one. In the church the birthing event must be followed by discipleship.

Although all baptismal records for 1992 have not yet been submitted to the association office, one-hundred, fifty-two baptisms have been reported. This figure will increase when all of the records have been received. That is quite an addition to the family. That is quite a responsibility for the churches. Yet the "fields remain white unto harvest." Let us all be diligent workers in the ripe fields of Cherokee and Clay Counties.

Next year we have planned to have an association-wide revival with Dr. Landrum Leavell, President of New Orleans Baptist Theological Seminary, doing the preaching. Dr. Sid Buckley of New Orleans will be leading the music. This evangelistic effort will require the commitment of every church, pastor, and many laymen. Please plan to support this effort by your prayers, presence and church budget. The dates for this meeting are July 18-23, 1993. Please clear your calendar.

Let us join hands as we are also joined in the spirit of Christ. Together let us labor in love until Jesus comes.

Respectfully submitted, The Evangelism Committee

Blind Ministry

The Associational Ministry to the Blind has been extremely limited due to a shortage of volunteers and a lack of awareness concerning the number of people who are actually blind.

The ministry is structured for those who do not read for whatever reason. Several individuals in each resthome are potential recipients of this ministry. The ministry could use four volunteers who are able to drive and could give a minimum of one afternoon each month to deliver and pick up audio cassettes, visit with the people to whom this ministry is extended, and be alert for others who need this type of assistance.

If you could help in either Murphy, Andrews, Hayesville, or the Suit area, please call the Association Office.

Respectfully submitted, Blind Ministry

Deaf Ministry

Under the direction of Mrs. Jenny Montgomery, several individuals are presently capable and willing to interpret music, sermons, and church programs for the non-hearing or hearing impaired persons in the area.

The Association did not sponsor sign language lessons in 1992. If a need for this class is expressed, however, such a class will be organized in the winter or spring of 1993.

Respectfully submitted, Deaf Ministry
